

THE PRODUCT: INDEPENDENT DEALER is published monthly and delivered via e-mail. Editorial focuses on two key areas: success in the Independent Dealer Channel and opportunities, in the broadest sense, for dealers to make their businesses stronger and more profitable. We provide regular coverage of dealer best practices and big wins in the marketplace, and highlight growth opportunities from emerging product categories, hot new vertical markets and ways to boost productivity and efficiency. Regular columnists include high profile industry consultants Krista Moore and Tom Buxton. The publication also provides plenty of opportunity for dealers themselves to sound off and dialog on issues that concern them.

THE AUDIENCE: The U.S. independent office products dealer community, including the leading dealer group members, wholesaler customers and dealer systems house users. Our circulation base consists of dealer lists provided by S. P. Richards, Essendant, TriMega, IS, AOPD, Office Partners, the WorkPlace Furnishings office furniture dealer group and similar organizations. The result: About as comprehensive a representation of the Independent Dealer Channel as you are likely to find.

THE PITCH: The resurgence of the independent dealer is a terrific story and the INDEPENDENT DEALER team is committed to telling it the way it deserves! We hope you will join regular advertisers like Avery, Clover, Domtar, ECI2, Pentel, TriMega and others, to support that effort and present your own products and services to a key audience in a compelling editorial environment they read and value.
